

Wynne School District

District Status Report for 2004-05

ACCREDITATION STANDARDS

The Standards of Accreditation of Public Schools require that each school offer three programs of study in three different occupational areas. Below are the programs offered for 2005-06. If a program is offered at a secondary vocational center, students must be enrolled in the 2005-06 school year.

Wynne High School is offering 19 programs of study in 15 different pathways.

Pathways and Programs of Study

Animal Systems

Animal Systems	Approved
----------------	----------

Business Financial Management

Finance	Approved
---------	----------

Design/Pre-Construction

Drafting & Design - Architectural CADD	Approved

Number tested in district: 96

District average score: 66%

State benchmark 80%

District rating: Below benchmark

Note: According to the records we have from APSCN and from information submitted by the CTE teachers, it appears that the following courses were offered in the district but were not tested during the 2004-05 school year. However, if the course was offered at a secondary vocational center, the testing information will appear in the report for the center and not the district.

Agriculture Mechanics I

Agriculture Structural Systems II

Food & Nutrition

Food Production & Management
Intro to Horticultural Science
Multimedia Applications I
Multimedia Applications II
Nursery/Landscape

GRADUATION

The graduation rate for concentrators is based on the number of students identified as concentrators the beginning of their senior year (completed at least two units in one occupational area) compared with the number of those who graduated.

Percent of concentrators graduated	99%
State benchmark	90%

District rating: Significantly exceeds benchmark
Meets or exceeds state average of 90%

COMPLETERS OF PROGRAMS OF STUDY

A completer is a graduate who successfully completed three or more units of credit within a program of study, including all the core requirements for that program of study. There are two measures for this indicator. The first is the number of completers compared to the number of graduates. The second is the number of seniors enrolled in career and technical classes compared to the number of completers.

Completers compared with graduates	56%
State benchmark	35%

District rating: Significantly above benchmark
Meets or exceeds state average of 32%

Number of seniors enrolled compared with number of completers	67%
State benchmark	50%

District rating: Significantly Above Benchmark
Meets or Exceeds State Average of 37%

Total unduplicated number of completers of programs of study	113
Family & Consumer Sciences Education	39
Information Management/Desktop Publishing	30
Agricultural Mechanics	21
Finance	19
Horticulture	17
Medical Professions Education	14
Food Production Management & Services	12
Child Care Guidance, Management & Services	12
Drafting and Design	9
Agricultural Science - Animal	8
Management	7

JROTC	7
Computer Engineering	7
Information Management/Multimedia	6

PLACEMENT

Placement is based on the status of completers six months following graduation. Completers who pursued opportunities in postsecondary education, the workforce, and/or the military are considered positive placements.

Completers reported in 2003-04	91
Percent positive placement	95%
State benchmark	98%

District rating: Approaching benchmark
Meets or exceeds state average of 95%
